>> I have completed the escalation of the bond to 2009\$ and this afternoon

>> I will talk to the Associate Director (Mary Ann) to make sure she is  
>> comfortable with your approach.

>> The 3 year amount moves from \$2,490,848 to \$3,437,200 escalated to  
>> 2009\$

>> The total bond goes from \$8,636,846 to \$10,493,100 escalated to 2009\$

>> I did notice something when I was looking at the bond on the waste dump  
>> reclamation area. There was no allowance for recontouring the dumps

>> before the soil is applied and the area would need to be scarified after  
>> the soil application. It will be pretty tough to apply 12 inches of

>> soil on an angle of repose slope. Haven't read the plan yet so I'm just  
>> asking how the plan says the dumps are to be reclaimed.

>> I need to review the plan and the bond so I'm more familiar with it.

>> Problem is when.....

>>

>> Talk to you later.

>>

>> Doug
